# General Information

## DAILY ACTIVITIES

Everyday is a new adventure this summer! We will be making s'mores using a solar cooker, petting alligators and setting up tents. We will get to splash every week on our very own Splash Pad! There will never be a dull moment this summer! Space is limited and registration will close when camp is full.

## FIELD TRIPS

We have field trips scheduled three times a week. Every Tuesday, Thursday and Friday we will head out and explore all the places around us. Your registration fee includes three summer camp shirts that will correspond to a day each week.

## PRICES

**REGISTRATION FEE** \$50

\*Your registration fee includes three camp shirts worn on field trip days, a camp water bottle and a drawstring backpack.

### SUMMER CAMP FEES

Full Time Camper	\$150
MWF Camper	\$100
T TH Camper	\$50

These fees cover all summer expenses, which will include all cooking projects, art projects, STEAM hands on projects, in-house visitors and field trips. The attached page has the monthly tuition listed.

# Summer Program

## DAILY THEMES

Mondays- Arts & Crafts  
Tuesdays- STEAM Project & Field Trip  
Wednesdays- Cooking Project  
Thursdays- Field Trip & Splash Pad Day  
Fridays- Field Trip Day

## DESTINATIONS

We will be exploring many different places this summer as well as bringing several attractions to our school! Some of the places we will go include; 2Infinity, Sea World, Bartow Museum, Lowry Park Zoo, Olive Garden, Bartow Pool and many more!

## STEAM OPPORTUNITIES

We will be focused on a fun summer program filled with educational opportunities. We will provide lots of hands on projects that encourage scientific thinking. They will have many opportunities to build and craft works of art. This summer program is really FULL STEAM AHEAD!

Our daily schedule will also include 20 minutes of reading with inside and outside areas. Rocket Math based on the grade level the child recently attended. As well as many ELA literacy activities.
